

ST LUKE'S WILL WRITING PROMOTION

We are very pleased to be associated with St Luke's Will writing promotion. St Luke's are offering a substantial contribution towards the costs of making a Will or an alteration (codicil) to an existing Will. Any significant change in family or financial circumstances should cause you to review your Will. Marriage will revoke a prior Will. Divorce changes the provisions so far as they relate to a former spouse. A birth or death in the family may also lead to a change in your wishes. Careful planning is important to ensure that your estate passes to your chosen beneficiaries and to maximise the net value of the estate. Is your will up to date ?

We are offering this service in association with St Luke's concurrently with our Exhibition 'Shadows in Time' featuring hand printed photographs in black & white by Dr Derek Hunter ARPS. The exhibition runs until May 22nd 2009. See overleaf for directions.

At St Luke's Hospice in Plymouth, staff are dedicated to providing free, high quality specialist palliative care and support to patients from across the South West of Devon and East Cornwall as they reach a most critical point in their lives. St Luke's cares for over 2,000 patients each year in their 'preferred place of care' whether that is at the Hospice inpatient unit, at Derriford Hospital or in their own homes through St Luke's Community Nurses.

St Luke's costs over £5 million each year to run, 75% (3.5m) of that figure must be raised within the local community by the hospice through community events, donations and gifts in Wills.

Leaving a gift in your Will is a great way to ensure that St Luke's can continue to make a difference not only now, but in the future
